At this event, we gave away for free about a few hundred items from several music libraries (all members of CAML). On June 10th, 2024, CAML organized a concert of the Croatian Mountaineering Society „Vihor“ Choir, which was held at the library of the Academy of Music of the University of Zagreb. The concert was accompanied by the virtual exhibition „Mountains as a composer's inspiration“, which can be viewed [here](#). The concert and the virtual exhibition were organized on the occasion of International Archives Week under the topic „To the mountains!“.

On October 11th and 12th, 2024 CAML and Croatian RISM working group organised a workshop on processing musical sources in RISM's central cataloguing program, MUSCAT, which was held at the library of the Academy of Music of the University of Zagreb. CAML member Lucija Konfic led the workshop.

On March 12th, 2024 CAML members and members of the Music Library Committee of the Croatian Library Association visited the library of the Catholic Faculty of Theology of the University of Zagreb. The librarians

showed them their workspace and presented the fund. Later on, they discussed the specifics of processing the musical sources.
